During this time of social distancing we have found new ways to entertain people from the comforts of their own homes including virtual tastings. We would love to host a virtual wine tasting for your members. It is as easy as the steps below:

- Reserve a complimentary reservation and Zoom meeting for a wine educator.
- Share the information with your members and encourage them to purchase the wine at the club
- We will work out the details with you and send you the Zoom link to share

For more information please contact me at cherylr@rombauer.com or visit our website for more information www.rombauer.com

I would also like to encourage you to start your very own Rombauer hours at your clubs. Once we are able to socialize again we anticipate that a Rombauer Hour social event will be a bit hit with our customers that are already your members.

Please let us know how we can help support your efforts 😊
